SERVICE CORPORATION

A Division of Airline Hydraulics Corporation  Airline

4474 Walden Avenue, Lancaster, NY 14086

E-mail: sales@fluidpowerservice.com

We provide lubrication solutions for every application.

Fluid Power Service carries SKF and Lincoln lubrication products for construction, mobile-on-road and other applications requiring equipment lubrication at specific intervals to minimize friction and wear and optimize bearing and machinery service life. Automated lubrication offers the following benefits:

- Significant savings in repair and spare costs
- Increased machine reliability
- Up to 50% savings in lubricant costs due to accurate timing and dosing of lubricants
- Fewer shutdowns and production losses
- Reduced environmental impact
- Greater worker safety

Call us today to learn more about our lubrication products and services, including SKF, Lincoln and Vogel (now a part of SKF) lubrication solutions.
